INTRODUCTION

This *Evidence of Coverage (EOC)*, including the “Benefit Summary” and any benefit riders attached to this *EOC*, describes the dental care coverage of the Large Group Dental Plan provided under the *Group Agreement (Agreement)* between Kaiser Foundation Health Plan of the Northwest and your Group. For benefits provided under any other plan, refer to that plan’s evidence of coverage. In this *EOC*, Kaiser Foundation Health Plan of the Northwest is sometimes referred to as “Company,” “we,” “our,” or “us.” Members are sometimes referred to as “you.” Some capitalized terms have special meaning in this *EOC*; please see the “Definitions” section for terms you should know. The benefits under this plan are not subject to a pre-existing condition waiting period.

It is important to familiarize yourself with your coverage by reading this *EOC*, including the “Benefit Summary,” completely, so that you can take full advantage of your Plan benefits. Also, if you have special dental care needs, carefully read the sections applicable to you.

Term of this *EOC*

This *EOC* is effective for the period stated on the cover page, unless amended. Your Group’s benefits administrator can tell you whether this *EOC* is still in effect.

About Kaiser Permanente

Kaiser Permanente provides or arranges for Services to be provided directly to you and your Dependents through an integrated dental care system. Company, Participating Providers, and Participating Dental Offices work together to provide you with quality dental care Services. Our dental care program gives you access to the covered Services you may need, such as routine care with your own personal Participating Dentist and other benefits described in the “Benefits” section.

For more information about your benefits, our Services, or other products, please call Member Services at 503-813-2000, outside the Portland area at 1-800-813-2000, and TTY at 711, or you may e-mail us by registering at kp.org/dental/nw.

DEFINITIONS

Benefit Maximum. The maximum amount of benefits that will be paid in a Year as more fully explained in the “Benefit Maximum” section of this *EOC*. The amount of your Benefit Maximum is shown in the “Benefit Summary.”

If you are covered for orthodontic or implant Services, please note that these Services may not count toward your Benefit Maximum. Your orthodontic coverage and your implant coverage may each have a separate benefit maximum.

Benefit Summary. A section of this *EOC* which provides a brief description of your dental plan benefits and what you pay for covered Services.

Charges. The term “Charges” is used to describe the following:

- For Services provided by Permanente Dental Associates, PC, the charges in Company’s schedule of charges for Services provided to Members.
- For Services for which a provider (other than Permanente Dental Associates, PC) is compensated on a capitation basis, the charges in the schedule of charges that Company negotiates with the capitated provider.
- For items obtained at a pharmacy owned and operated by Company, the amount the pharmacy would charge a Member for the item if a Member’s benefit plan did not cover the item. (This amount is an estimate of: the cost of acquiring, storing, and dispensing drugs, the direct and indirect costs of providing

pharmacy Services to Members, and the pharmacy program's contribution to the net revenue requirements of Company.)

- For all other Services, the payment that Company makes for the Services (or, if Company subtracts a Copayment or Coinsurance from its payment, the amount Company would have paid if Company did not subtract the Copayment or Coinsurance).

Coinsurance. A percentage of Charges that you must pay when you receive a covered Service as described in the "What You Pay" section.

Company. Kaiser Foundation Health Plan of the Northwest, an Oregon nonprofit corporation. This *EOC* sometimes refers to Company as "we," "our," or "us."

Dental Office Visit Charge. The amount you pay for Participating Dental Office visits with Participating Providers.

The *Dental Provider Directory* lists Participating Providers, includes addresses, maps, and telephone numbers for Participating Dental Offices, and provides general information about getting dental care at Kaiser Permanente. After you enroll, you will receive a flyer that explains how you may either download an electronic copy of the *Dental Provider Directory* or request that the *Dental Provider Directory* be mailed to you.

Dental Specialist. A Participating Provider who is an endodontist, oral pathologist, oral surgeon, orthodontist, pediatric dentist, periodontist or prosthodontist.

Dentally Necessary. A Service that, in the judgment of a Participating Dentist, is required to prevent, diagnose, or treat a dental condition. A Service is Dentally Necessary only if a Participating Dentist determines that its omission would adversely affect your dental health and its provision constitutes a dentally appropriate course of treatment for you in accord with generally accepted professional standards of practice that are consistent with a standard of care in the dental community and in accordance with applicable law.

Dentist. Any licensed doctor of dental science (DDS) or doctor of medical dentistry (DMD).

Dependent. A Member who meets the eligibility requirements for a dependent as described in the "Who Is Eligible" section.

Dependent Limiting Age. The "Premium, Eligibility, and Enrollment" section requires that most types of Dependents (other than Spouses) be under the Dependent Limiting Age in order to be eligible for membership. The "Benefit Summary" shows the Dependent Limiting Age (the "Student" one is for students, and the "General" one is for non-students).

Emergency Dental Care. Dentally Necessary Services to treat Emergency Dental Conditions.

Emergency Dental Condition. A dental condition, or exacerbation of an existing dental condition, occurring suddenly and unexpectedly, involving injury, swelling, bleeding, or extreme pain in or around the teeth and gums that would lead a prudent layperson possessing an average knowledge of health and medicine to reasonably expect that immediate dental attention is needed.

Evidence of Coverage (EOC). This *Evidence of Coverage* document provided to the Member that specifies and describes benefits and conditions of coverage. This document, on its own, is not designed to meet the requirements of a summary plan description (SPD) under ERISA.

Member. A person who is eligible and enrolled under this *EOC*, and for whom we have received applicable Premiums. Participating Provider. A person who, under a contract directly or indirectly with Company, has agreed to provide covered Services to Members with an expectation of receiving payment, other than Copayments or Coinsurance, from Company rather than from the Member, and is either:

PREMIUM, ELIGIBILITY, AND ENROLLMENT

Premium

Your Group is responsible for paying the Premium. If you are responsible for any contribution to the Premium, your Group will tell you the amount and how to pay your Group.

Who Is Eligible

General

To be eligible to enroll and to remain enrolled, you must meet all of the following requirements listed below:

- You must meet your Group's eligibility requirements that we have approved. (Your Group is required to inform Subscribers of its eligibility requirements.)
- You must meet one of the Subscriber or Dependent eligibility requirements described below, unless your Group has different eligibility requirements that we have approved.
- You must live or physically work inside our Service Area at least 50 percent of the time. Our Service Area is described in the "Definitions" section of this *EOC*. For assistance about the Service Area or eligibility, please contact Member Services. The Subscriber's or the Subscriber's Spouse's otherwise eligible children are not ineligible solely because they live outside our Service Area if: (i) they are attending an accredited college or accredited vocational school; or (ii) if otherwise required by law.

Subscribers

To be eligible to enroll as a Subscriber, you must be one of the following:

- An employee of your Group.
- Otherwise entitled to coverage through your Group under a trust agreement, retirement benefit program, employment contract, or the rules of a professional, trade, or bona fide association.

Dependents

If you are a Subscriber, the following persons are eligible to enroll as your Dependents:

- Your Spouse.
- A person who is under the general Dependent Limiting Age shown in the "Benefit Summary" and who is any of the following:
 - Your or your Spouse's child.
 - A child adopted by you or your Spouse, or for whom you or your Spouse have assumed a legal obligation in anticipation of adoption.
 - Any other person for whom you or your Spouse is a court-appointed guardian.

- A person who is under the student Dependent Limiting Age shown in the “Benefit Summary” and who is a full-time registered student at an accredited college or accredited vocational school and is any of the following:
 - Your or your Spouse’s child.
 - A child adopted by you or your Spouse, or for whom you or your Spouse have assumed a legal obligation in anticipation of adoption.
 - Any other person for whom you or your Spouse is a court-appointed guardian.
- Students who suffer a severe illness or injury that causes them to lose full-time student status will continue to be considered full-time students for eligibility purposes, provided that within 31 days after the loss of full-time student status, we receive written certification from the child’s treating physician that the child is suffering from a serious illness or injury and that the leave of absence or other change of enrollment is Medically Necessary. Eligibility as a full-time student under this provision may then continue for up to 12 months from the date that your child’s medical leave of absence began, or until your child reaches the student Dependent Limiting Age shown in the “Benefit Summary,” whichever comes first.
- A person of any age who is chiefly dependent upon you or your Spouse for support and maintenance if the person is incapable of self-sustaining employment by reason of developmental disability or physical handicap which occurred prior to his or her reaching the general Dependent Limiting Age shown in the “Benefit Summary,” if the person is any of the following:
 - Your or your Spouse’s child.
 - A child adopted by you or your Spouse, or for whom you or your Spouse have assumed legal obligation in anticipation of adoption.
 - Any other person for whom you or your Spouse is a court-appointed guardian and was a court-appointed guardian prior to the person reaching the Dependent Limiting Age shown in the “Benefit Summary” established by the Group.

We may request proof of incapacity and dependency annually.

Children born to a Dependent other than your Spouse (for example, your grandchildren) are not eligible for coverage beyond the first 31 days of life, including the date of birth, unless: (a) you or your Spouse adopts them or assumes a legal obligation in anticipation of adoption; (b) they are primarily supported by you or your Spouse and you or your Spouse is their court-appointed guardian; or, (c) your Group has different eligibility requirements that we have approved.

Company will not deny enrollment of a newborn child, newly adopted child, or child for whom legal obligation is assumed in anticipation of adoption, or newly placed for adoption solely on the basis that: (a) the child was born out of wedlock; (b) the child is not claimed as a Dependent on the parent’s federal tax return; (c) the child does not reside with the child’s parent or in our Service Area; or (d) the mother of the child used drugs containing diethylstilbestrol prior to the child’s birth. Also, Company does not discriminate between married and unmarried persons, or between children of married or unmarried persons.

When You Can Enroll and When Coverage Begins

A Group is required to inform employees about when they are eligible to enroll and their effective date of coverage. The effective date of coverage for employees and their eligible Dependents is determined by the Group in accord with waiting period requirements in state and federal law. The Group is required to inform the Subscriber of the date membership becomes effective.

New Employees and Their Dependents

When a Group informs an employee that they are eligible to enroll as a Subscriber, they may enroll themselves and any eligible Dependents by submitting a Company-approved enrollment application to the Group within 30 days of eligibility for enrollment.

Open Enrollment

The Group will inform an employee of their open enrollment period and effective date of coverage. An eligible employee may enroll as a Subscriber along with any eligible Dependents if they or their Dependents were not previously enrolled. If you are an existing Subscriber, you may add eligible Dependents not previously enrolled following your Group's enrollment process during the open enrollment period.

Special Enrollment

If an eligible employee or their eligible Dependents do not enroll when they are first eligible, and later want to enroll, they can enroll only during open enrollment unless they experience a qualifying event as described in this "Special Enrollment" section. In the event of conflict between the law and the qualifying events described in this "Special Enrollment" section, we will administer special enrollment rights based on current state and federal law.

The individual must notify the Group within 30 days of a qualifying event, 60 days if they are requesting enrollment due to a change in eligibility for Medicaid or Child Health Insurance Program (CHIP) coverage. The Group will determine if the individual is eligible to select or change coverage. Contact the Group for further instructions on how to enroll.

A Group may require an employee declining coverage to provide a written statement indicating whether the coverage is being declined due to other dental coverage. If this statement is not provided, or if coverage is not declined due to other dental coverage, the employee may not be eligible for special enrollment due to loss of other dental coverage. Contact the Group for further information.

The following are considered qualifying events:

- The individual loses coverage for any reason other than nonpayment of Premium, rescission of coverage, misrepresentation, fraud or voluntary termination of coverage. Examples of loss of coverage that are considered qualifying events include, but are not limited to:
 - Loss of coverage as a result of dissolution of marriage or termination of a domestic partnership.
 - Loss of coverage due to loss of employment.
 - Loss of coverage due to reduction of employment hours.
 - Loss of coverage when a plan no longer offers coverage to the class of similarly situated people that includes the individual.
 - Loss of COBRA coverage due to the failure of the employer to remit premium.
 - Exhaustion of COBRA coverage.
 - Loss of coverage due to a permanent change in residence, work, or living situation, where the dental plan under which the individual was covered does not provide coverage in that person's new service area.
 - Loss of coverage as a dependent on a group plan due to age.
 - Loss of coverage as a dependent of someone who becomes entitled to Medicare.
- The individual is enrolled in any non-calendar year group or individual dental insurance policy that is ending, even if the individual has the option to renew such coverage.
- The individual loses pregnancy or medically needy coverage.

- The individual gains a Dependent or becomes a Dependent through marriage or entering into a domestic partnership, birth, adoption or placement for adoption or through a child support order or other court order.
- The individual loses a Dependent or is no longer considered a Dependent through divorce or legal separation, or if the enrollee, or his or her Dependent dies.
- The individual becomes eligible for membership as a result of a permanent move.
- The individual becomes newly eligible or ineligible for coverage under Medicaid, Child Health Insurance Program or another public program providing dental benefits.
- If the Group's plan is a Section 125 cafeteria plan, an eligible individual may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, if they experience an event that the Group designates as a Section 125 special enrollment qualifying event.
- If an individual terminated their dental coverage because they were called to active duty in the military service, they may be able to be re-enrolled in their Group's dental plan if required by state or federal law. Ask the Group for more information.

Note: If the individual is enrolling as a Subscriber along with at least one eligible Dependent, only one enrollee must meet one of the requirements stated above.

Adding New Dependents to an Existing Account

To enroll a Dependent who becomes eligible to enroll after you became a Subscriber, you must notify your Group as described in this “Adding New Dependents to an Existing Account” section.

Newborns, newly adopted children, or children newly placed for adoption are covered for 31 days after birth, adoption or placement for adoption. In order for coverage to continue beyond this 31-day period, you must notify your Group within 30 days after the date of birth, adoption, or placement for adoption.

To add all other newly eligible Dependents (such as a new Spouse), you must notify your Group within 30 days after a Dependent becomes newly eligible.

Contact your Group for further instructions on how to enroll your newly eligible Dependent.

When Coverage Begins

Your Group will notify you of the date your coverage will begin. Membership begins at 12 a.m. (PT) of the effective date specified.

If an individual enrolls in, adds a Dependent, or changes dental plan coverage during a special enrollment period, the membership effective date will be one of the following:

- For loss of coverage:
 - If we receive the application up to 30 days before the loss of coverage, the first day of the month following the loss of coverage.
 - If we receive the application after the loss of coverage, the first day of the month following the month when we receive the application.
- For birth, adoption, or placement for adoption the date of the birth, adoption, or placement for adoption.
- For marriage or entering into a domestic partnership, the first day of the month following the month when we receive the application.
- For special enrollment due to court or administrative order, your Group will let us know the effective date of the enrollment. The effective date cannot be earlier than the date of the order and cannot be later than the first day of the month following the date of the order.

- For enrollment due to a Group designated Section 125 qualifying event contact the Group for the timeframe specified by the Group for making elections due to a Section 125 qualifying event.
- For all other special enrollment events:
 - If we receive the application by the 15th day of a month, the coverage effective date will be the first day of the following month.
 - If we receive the application after the 15th day of a month, the coverage effective date will be the first day of the second following month.

HOW TO OBTAIN SERVICES

Important Information for Members Whose Benefit Plans are Subject to ERISA.

The Employee Retirement Income Security Act of 1974 (ERISA) is a federal law that regulated employee benefits, including the claim and appeal procedures for benefit Plans offered by certain employers. If an employer's benefit Plan is subject to ERISA, each time you request Services that must be approved before the Service is provided, you are filing a "pre-service claim" for benefits. You are filing a "post-service claim" when you ask us to pay for or cover Services that have already been received. You must follow our procedure for filing claims, and we must follow certain rules established by ERISA for responding to claims.

As a Member, you must receive all covered Services from Participating Providers and Participating Dental Offices inside our Service Area, except as otherwise specifically permitted in this *EOC*.

We will not directly or indirectly prohibit you from freely contracting at any time to obtain dental Services outside the plan. However, if you choose to receive Services from Non-Participating Providers and Non-Participating Dental Offices, except as otherwise specifically provided in this *EOC*, those Services will not be covered under this *EOC* and you will be responsible for the full price of the Services.

Using Your Identification Card

We provide each Member with a Company identification (ID) card that contains the Member health record number. Please have your health record number available when you call for advice, make an appointment, or seek Services. We use your health record number to identify your dental records, for billing purposes and for membership information. You should always have the same health record number. If we ever inadvertently issue you more than one health record number, please let us know by calling Member Services. If you need to replace your ID card, please call Member Services.

Your ID card is for identification only and it does not entitle you to Services. To receive covered Services, you must be a current Member. Anyone who is not a Member will be billed as a non-member for any Services he or she receives. If you let someone else use your ID card, we may keep your card and terminate your membership (see the "Termination for Cause" section). We may request photo identification in conjunction with your ID card to verify your identity.

Choosing a Personal Care Dentist

Your personal care Participating Dentist plays an important role in coordinating your dental care needs, including routine dental visits and referrals to Dental Specialists. We encourage you and your Dependents to choose a personal care Participating Dentist. To learn how to choose or change your personal care Participating Dentist, please call Member Services.

The online *Dental Provider Directory* provides the names, locations, and telephone numbers of Participating Dentists. Before receiving Services, you should confirm your Dentist has continued as a Participating Dentist. To do so, you may call Member Services at 503-813-2000 from within Portland, 1-800-813-2000 from outside the Portland area, via TTY at 711, or you may email us by registering at kp.org/dental/nw for the most up-to-date provider information. Participating Dentists include both general Dentists and Dental Specialists.

Appointments for Routine Services

If you need to make a routine dental care appointment, please refer to the *Dental Provider Directory* for appointment telephone numbers, or go to kp.org/dental/nw to request an appointment online. Routine appointments are for dental needs that are not urgent such as checkups, teeth cleanings, and follow-up visits that can wait more than a day or two. Try to make your routine care appointments as far in advance as possible. For information about getting other types of care, refer to “Emergency and Urgent Dental Care” in this “How to Obtain Services” section.

Getting Assistance

We want you to be satisfied with the dental care you receive. If you have any questions or concerns, please discuss them with your personal care Participating Dentist or with other Participating Providers who are treating you.

Most Participating Dental Offices have an administrative office staffed with representatives who can provide assistance if you need help obtaining Services. Member Services representatives are also available to assist you Monday through Friday (except holidays), from 8 a.m. to 6 p.m.

These representatives can also help you if you need to file a claim, or a complaint, grievance or appeal as described in the “Grievances, Claims, and Appeals” section. Upon request, Member Services can also provide you with written materials about your coverage.

POST-SERVICE CLAIMS – SERVICES ALREADY RECEIVED

In general, if you have a dental bill from a Non-Participating Provider or Non-Participating Dental Office, our Claims Administration Department will handle the claim. Member Services can assist you with questions about specific claims or about the claim procedures in general.

If you receive Services from a Non-Participating Provider following an authorized referral from a Participating Provider, the Non-Participating Provider will send the bill to Claims Administration directly. You are not required to file a claim.

However, if you receive Services from a Non-Participating Provider or Non-Participating Dental Office without an authorized referral and you believe Company should cover the Services, you need to send a completed dental claim form and the itemized bill to:

Kaiser Permanente
National Claims Administration - Northwest
PO Box 370050
Denver, CO 80237-9998

You can request a claim form from Member Services or download it from **kp.org**. When you submit the claim, please include a copy of your dental records from the Non-Participating Provider or Non-Participating Dental Office if you have them.

Company accepts American Dental Association (ADA) Dental claim forms, CMS 1500 claim forms for professional services and UB-04 forms for hospital claims. Even if the provider bills Company directly, you still need to submit the claim form.

You must submit a claim for a Service within 12 months after receiving that Service. If it is not reasonably possible to submit a claim within 12 months, then you must submit a claim as soon as reasonably possible, but in no case more than 15 months after receiving the Service, except in the absence of legal capacity.

We will reach a decision on the claim and pay those covered Charges within 30 calendar days from receipt unless additional information, not related to coordination of benefits, is required to make a decision. If the 30-day period must be extended, you will be notified in writing with an explanation about why. This written notice will explain how long the time period may be extended depending on the requirements of applicable state and federal laws, including ERISA.

You will receive written notification about the claim determination. This notification will provide an explanation for any unpaid amounts. It will also tell you how to appeal the determination if you are not satisfied with the outcome, along with other important disclosures required by state and federal laws.

If you have questions or concerns about a bill from Company, you may contact Member Services for an explanation. If you believe the Charges are not appropriate, Member Services will advise you on how to proceed.

WHAT YOU PAY

Copayments and Coinsurance

The Copayment or Coinsurance you must pay for each covered Service is shown in the “Benefit Summary.” Copayments or Coinsurance are due when you receive the Service. If we must bill you, an accounting fee may be added to offset handling costs.

Benefit Maximum

Your dental plan may be subject to a Benefit Maximum selected by your Group. If your plan includes a Benefit Maximum, your benefit is limited during each Year to the amount shown in the “Benefit Summary.” The “Benefit Summary” also shows what Services do not count toward your Benefit Maximum. Otherwise, Charges for Services we cover, less Copayments or Coinsurance you pay, count toward the Benefit Maximum. After you reach the Benefit Maximum, you pay 100 percent of Charges for Services incurred during the balance of the Year.

If you are covered for orthodontic or implant Services, please note that these Services may not count toward the Benefit Maximum. Your orthodontic coverage and your implant coverage may each have a separate benefit maximum.

Dental Office Visits

You are covered for a wide range of dental Services. Most Members pay a Dental Office Visit Charge for each Participating Dental Office visit. You may be required to pay additional Copayments or Coinsurance for specific Services shown in the “Benefit Summary.”

- You receive the Services inside our Service Area from a Participating Provider, except where specifically noted to the contrary in this *EOC*.
- The Services are provided in a Participating Dental Office, except where specifically noted to the contrary in this *EOC*.

Coverage is based on the least costly treatment alternative. If you request a Service that is a more costly treatment alternative from that recommended by your Participating Dentist, but that accomplishes the same goal, we will cover the Services up to the benefit level of the least costly treatment alternative. You will be responsible for any additional Charges.

Your “Benefit Summary” lists the Copayment or Coinsurance for each covered Service. The Services covered by this plan are described below. All benefits are subject to the “Exclusions and Limitations” and “Reductions” sections of this *EOC*.

REDUCTIONS

Coordination of Benefits

The Coordination of Benefits (COB) provision applies when a person has dental care coverage under more than one Plan. Plan is defined below.

The order of benefit determination rules govern the order in which each Plan will pay a claim for benefits. The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses. The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100 percent of the total Allowable Expense.

Definitions

The following terms, when capitalized and used in this "Coordination of Benefits" section, mean:

- A. **Plan.** Plan is any of the following that provides benefits or services for dental care or treatment. If separate contracts are used to provide coordinated coverage for members of a group, the separate contracts are considered parts of the same Plan and there is no COB among those separate contracts.
- (1) Plan includes: group and individual insurance contracts, health maintenance organization (HMO) contracts, group or individual Closed Panel Plans or other forms of group or group-type coverage (whether insured or uninsured); Medicare or any other federal governmental Plan, as permitted by law; and group and individual insurance contracts and subscriber contracts that pay for or reimburse for the cost of dental care.
 - (2) Plan does not include: medical care coverage; independent, non-coordinated hospital indemnity coverage or other fixed indemnity coverage; accident only coverage; specified disease or specified accident coverage; school accident type coverage; benefits for non-medical components of group

long-term care policies; Medicare supplement policies; Medicaid policies; or coverage under other federal governmental Plans, unless permitted by law.

Each contract for coverage under (1) or (2) is a separate Plan. If a Plan has two parts and COB rules apply only to one of the two, each of the parts is treated as a separate Plan.

B. **This Plan.** This Plan means the part of the contract providing the dental care benefits to which the COB provision applies and which may be reduced because of the benefits of other Plans. Any other part of the contract providing dental care benefits is separate from This Plan. A contract may apply one COB provision to certain benefits, such as dental benefits, coordinating only with similar benefits, and may apply another COB provision to coordinate other benefits.

C. **Primary Plan/Secondary Plan.** The order of benefit determination rules determine whether This Plan is a Primary Plan or Secondary Plan when the person has dental care coverage under more than one Plan.

When this Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When This Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100 percent of the total Allowable Expense.

D. **Allowable Expense.** Allowable Expense is a dental care expense, including deductibles, coinsurance, and copayments, that is covered at least in part by any Plan covering the person. When a Plan provides benefits in the form of services, the reasonable cash value of each service will be considered an Allowable Expense and a benefit paid. An expense that is not covered by any Plan covering the person is not an Allowable Expense. In addition, any expense that a provider by law or in accordance with a contractual agreement is prohibited from charging a covered person is not an Allowable Expense.

The following are examples of expenses that are not Allowable Expenses:

- (1) The difference between the cost of an amalgam filling and a composite filling for certain teeth is not an Allowable Expense, unless one of the Plans provides coverage for composite fillings for those teeth.
- (2) If a person is covered by two or more Plans that compute their benefit payments on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology, any amount in excess of the highest reimbursement amount for a specific benefit is not an Allowable Expense.
- (3) If a person is covered by two or more Plans that provide benefits or services on the basis of negotiated fees, an amount in excess of the highest of the negotiated fees is not an Allowable Expense.
- (4) If a person is covered by one Plan that calculates its benefits or services on the basis of usual and customary fees or relative value schedule reimbursement methodology or other similar reimbursement methodology and another Plan that provides its benefits or services on the basis of negotiated fees, the Primary Plan's payment arrangement shall be the Allowable Expense for all Plans. However, if the provider has contracted with the Secondary Plan to provide the benefit or service for a specific negotiated fee or payment amount that is different than the Primary Plan's payment arrangement and if the provider's contract permits, the negotiated fee or payment shall be the Allowable Expense used by the Secondary Plan to determine its benefits.
- (5) The amount of any benefit reduction by the Primary Plan because a covered person has failed to comply with the Plan provisions is not an Allowable Expense. Examples of these types of Plan provisions include second surgical opinions, precertification of admissions, and preferred provider arrangements.

- E. **Closed Panel Plan.** A Plan that provides dental care benefits to covered persons primarily in the form of services through a panel of providers that have contracted with or are employed by the Plan, and that excludes coverage for services provided by other providers, except in cases of emergency or referral by a panel member.
- F. **Custodial Parent.** The parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

Order of Benefit Determination Rules

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- A. The Primary Plan pays or provides its benefits according to its terms of coverage and without regard to the benefits of under any other Plan.
- B. (1) Except as provided in Paragraph (2), a Plan that does not contain a coordination of benefits provision that is consistent with this regulation is always primary unless the provisions of both Plans state that the complying Plan is primary.
(2) Coverage that is obtained by virtue of membership in a group that is designed to supplement a part of a basic package of benefits and provides that this supplementary coverage shall be excess to any other parts of the Plan provided by the contract holder.
- C. A Plan may consider the benefits paid or provided by another Plan in calculating payment of its benefits only when it is secondary to that other Plan.
- D. Each Plan determines its order of benefits using the first of the following rules that apply:
 - (1) Non-Dependent or Dependent. The Plan that covers the person other than as a dependent, for example as an employee, member, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, member, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.
 - (2) Dependent child covered under more than one Plan. Unless there is a court decree stating otherwise, when a dependent child is covered by more than one Plan the order of benefits is determined as follows:
 - (a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - o The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - o If both parents have the same birthday, the Plan that has covered the parent the longest is the Primary Plan.
 - (b) For a dependent child whose parents are divorced or separated or not living together, whether or not they have ever been married:
 - (i) If a court decree states that one of the parents is responsible for the dependent child's dental care expenses or dental care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. This rule applies to Plan years commencing after the Plan is given notice of the court decree;

- (ii) If a court decree states that both parents are responsible for the dependent child's dental care expenses or dental care coverage, the provisions of subparagraph (a) above shall determine the order of benefits;
 - (iii) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the dental care expenses or dental care coverage of the dependent child, the provisions of subparagraph (a) above shall determine the order of benefits; or
 - (iv) If there is no court decree allocating responsibility for the dependent child's dental care expenses or dental care coverage, the order of benefits for the child are as follows:
 - The Plan covering the Custodial Parent;
 - The Plan covering the spouse of the Custodial Parent;
 - The Plan covering the non-Custodial Parent; and then
 - The Plan covering the spouse of the non-Custodial Parent.
 - (c) For a dependent child covered under more than one Plan of individuals who are not the parents of the child, the provisions of subparagraph (a) or (b) above shall determine the order of benefits as if those individuals were the parents of the child.
- (3) Active employee or retired or laid-off employee. The Plan that covers a person as an active employee, that is, an employee who is neither laid-off nor retired, is the Primary Plan. The Plan covering that same person as a retired or laid-off employee is the Secondary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
 - (4) COBRA or state continuation coverage. If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled D(1) can determine the order of benefits.
 - (5) Longer or shorter length of coverage. The Plan that covered the person as an employee, member, subscriber or retiree longer is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.
 - (6) If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan. In addition, This Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of This Plan

- A. When This Plan is secondary, it may reduce its benefits so that the total benefits paid or provided by all Plans during a Plan year are not more than the total Allowable Expenses. In determining the amount to be paid for any claim, the Secondary Plan will calculate the benefits it would have paid in the absence of other dental care coverage and apply that calculated amount to any Allowable Expense under its Plan that is unpaid by the Primary Plan. The Secondary Plan may then reduce its payment by the amount so that, when combined with the amount paid by the Primary Plan, the total benefits paid or provided by all Plans for the claim do not exceed the total Allowable Expense for that claim. In addition, the Secondary Plan shall credit to its Plan deductible any amounts it would have credited to its deductible in the absence of other dental care coverage.

- B. If a covered person is enrolled in two or more Closed Panel Plans and if, for any reason, including the provision of service by a non-panel provider, benefits are not payable by one Closed Panel Plan, COB shall not apply between that Plan and other Closed Panel Plans.

Right to Receive and Release Needed Information

Certain facts about dental care coverage and services are needed to apply these COB rules and to determine benefits payable under This Plan and other Plans. We may get the facts we need from or give them to other organizations or persons for the purpose of applying these rules and determining benefits payable under This Plan and other Plans covering the person claiming benefits. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give us any facts we need to apply those rules and determine benefits payable.

Facility of Payment

A payment made under another Plan may include an amount that should have been paid under This Plan. If it does, we may pay that amount to the organization that made that payment. That amount will then be treated as though it were a benefit paid under This Plan. This Plan will not have to pay that amount again. The term “payment made” includes providing benefits in the form of services, in which case “payment made” means the reasonable cash value of the benefits provided in the form of services.

Right of Recovery

If the amount of the payments made by This Plan is more than it should have paid under this COB provision, This Plan may recover the excess from one or more of the persons it has paid or for whom it has paid; or any other person or organization that may be responsible for the benefits or services provided for the covered person. The “amount of the payments made” includes the reasonable cash value of any benefits provided in the form of services.

Injuries or Illnesses Alleged to be Caused by Third Parties

This “Injuries or Illnesses Alleged to be Caused by Third Parties” section applies if you receive covered Services for an injury or illness alleged to be any of the following:

- Caused by a third party’s act or omission.
- Received on the premises of a third party.

If you obtain a settlement or judgment from or on behalf of a third party, you must pay us Charges for covered Services that you receive for the injury or illness, except that you do not have to pay us more than the amount you receive from or on behalf of the third party. This “Injuries or Illnesses Alleged to be Caused by Third Parties” section does not affect your obligation to make any applicable Copayment and Coinsurance payments for these covered Services, but we will credit any such payments toward the amount you must pay us under this paragraph.

If you do not recover anything from or on behalf of the third party, then you are responsible only for any applicable Copayment and Coinsurance payments.

To the extent permitted by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by any third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total Charges for the relevant covered Services.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you or we (when we subrogate) obtain against a third party, regardless of how those proceeds may be characterized or designated. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the proceeds is less than the actual losses and damages you incurred.

You must make all reasonable efforts to pursue any claim you may have against a third party. Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to us at:

Patient Financial Services—TPL
Kaiser Foundation Health Plan of the Northwest
7201 N Interstate Avenue
Portland, OR 97217

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, trust agreements, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You must not take any action prejudicial to our rights.

In addition to the rights set forth above, we shall also be entitled to all of the remedies, benefits, and other rights of sections 742.520 – 742.542, Oregon Revised Statutes.

You must place and hold in trust a portion of the proceeds of your recovery that is sufficient to satisfy our claims under this "Injuries or Illnesses Alleged to be Caused by Third Parties" section pending final resolution of the claims. You must provide us with written notice before you settle a claim or obtain a judgment against any third party based on your injury or illness.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

Sharing Additional Information That We Collect

If we believe that your appeal of our initial adverse benefit determination will be denied, then before we issue another adverse benefit determination, we will also share with you any new or additional reasons for that decision. We will send you a letter explaining the new or additional information and/or reasons and inform you how you can respond to the information in the letter if you choose to do so. If you do not respond before we must make our final decision, that decision will be based on the information already in your claim file.

Claims and Appeals Procedures

There are several types of claims, and each has a different procedure described below for sending your claim and appeal to us as described in this “Claims and Appeals Procedures” section:

- Pre-service claims (urgent and non-urgent)
- Concurrent care claims (urgent and non-urgent)
- Post-service claims

When you file an appeal, we will review your claim without regard to our previous adverse benefit determination. The individual who reviews your appeal will not have participated in our original decision regarding your claim nor will he/she be the subordinate of someone who did participate in our original decision.

Pre-service Claims and Appeals

Pre-service claims are requests that we provide or pay for a Service that you have not yet received. Failure to receive authorization before receiving a Service that must be authorized in order to be a covered benefit may be the basis for our denial of your pre-service claim or a post-service claim for payment. If you receive any of the Services you are requesting before we make our decision, your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If you have any general questions about pre-service claims or appeals, please contact Member Services at 1-800-813-2000.

Here are the procedures for filing a pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

▪ Pre-service Claim

- You may request a pre-service benefit determination on your own behalf. Tell us in writing that you want to make a claim for us to provide or pay for a Service you have not yet received. Your request and any related documents you give us constitute your claim. You must mail or fax your claim to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985

- o If you want us to consider your pre-service claim on an urgent basis, your request should tell us that. We will decide whether your claim is urgent or non-urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life or health or your ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your dental condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting, or (c) your attending dental care provider requests that your claim be treated as urgent.
- o We will review your claim and, if we have all the information we need, we will make a decision within a reasonable period of time, but not later than 15 days after we receive your claim.

We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you prior to the expiration of the initial 15-day period.

If we tell you we need more information, we will ask you for the information within the initial 15-day decision period, and we will give you 45 days to send the information.

We will make a decision within 15 days after we receive the first piece of information (including documents) we requested.

We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision.

If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45-day period.

- o We will send written notice of our decision to you and, if applicable, to your provider.

If your pre-service claim was considered on an urgent basis, we will notify you of our decision orally or in writing within a timeframe appropriate to your clinical condition, but not later than 72 hours after we receive your claim. Within 24 hours after we receive your claim, we may ask you for more information. We will notify you of our decision within 48 hours of receiving the first piece of requested information. If we do not receive any of the requested information, then we will notify you of our decision within 48 hours after making our request. If we notify you of our decision orally, we will send you written confirmation within three days after that.

- o If we deny your claim (if we do not agree to provide or pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

- **Non-Urgent Pre-service Appeal**

- Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our denial of your pre-service claim. Please include the following:

- (1) Your name and health record number;
- (2) Your dental condition or relevant symptoms;
- (3) The specific Service that you are requesting;
- (4) All of the reasons why you disagree with our adverse benefit determination; and
- (5) All supporting documents.

Your request and the supporting documents constitute your appeal. You must mail or fax your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985

- We will acknowledge your appeal in writing within seven days after we receive it.
- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and send you a written decision within 30 days after we receive your appeal.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal.

- **Urgent Pre-service Appeal**

- Tell us that you want to urgently appeal our adverse benefit determination regarding your pre-service

claim. Please include the following:

- (1) Your name and health record number;
- (2) Your dental condition or relevant symptoms;
- (3) The specific Service that you are requesting;
- (4) All of the reasons why you disagree with our adverse benefit determination; and
- (5) All supporting documents.

Your request and the supporting documents constitute your appeal. You must mail, fax, or call your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985
Phone: 503-813-4480

- We will decide whether your appeal is urgent or non-urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life or health, or your ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your dental condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting, or (c) your attending dental care provider requests that your claim be treated as urgent.
- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and give you oral or written notice of our decision as soon as your clinical condition requires, but not later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within three days after that.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal.

Concurrent Care Claims and Appeals

Concurrent care claims are requests that Company continues to provide, or pay for, an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment already being received is scheduled to end. If you have any general questions about concurrent care claims or appeals, please call Member Relations at 503-813-4480.

Unless you are appealing an urgent care claim, if we either (a) deny your request to extend your current authorized ongoing care (your concurrent care claim) or (b) inform you that authorized care that you are currently receiving is going to end early and you appeal our adverse benefit determination at least 24 hours before your ongoing course of covered treatment will end, then during the time that we are considering your appeal, you may continue to receive the authorized Services. If you continue to receive these Services while we consider your appeal and your appeal does not result in our approval of your concurrent care claim, then you will have to pay for the Services that we decide are not covered.

Here are the procedures for filing a concurrent care claim, a non-urgent concurrent care appeal, and an urgent concurrent care appeal:

▪ Concurrent Care Claim

- Tell us that you want to make a concurrent care claim for an ongoing course of covered treatment.

Inform us in detail of the reasons that your authorized ongoing care should be continued or extended. Your request and any related documents you give us constitute your claim. You must submit your claim by mailing, faxing, or calling us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985
Phone: 503-813-4480

- If you want us to consider your claim on an urgent basis and you contact us at least 24 hours before your care ends, you may request that we review your concurrent claim on an urgent basis. We will decide whether your claim is urgent or non-urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life or health or your ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your dental condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting, or (c) your attending dental care provider requests your claim be treated as urgent.
- We will review your claim, and if we have all the information we need we will make a decision within a reasonable period of time.

If you submitted your claim 24 hours or more before your care is ending, we will make our decision before your authorized care actually ends.

If your authorized care ended before you submitted your claim, we will make our decision no later than 15 days after we receive your claim.

We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we send you notice before the initial 15 day decision period ends.

If we tell you we need more information, we will ask you for the information before the initial decision period ends, and we will give you until your care is ending or, if your care has ended, 45 days to send us the information.

We will make our decision as soon as possible, if your care has not ended, or within 15 days after we first receive any information (including documents) we requested.

We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision.

If we do not receive any of the requested information (including documents) within the stated timeframe after we send our request, we will make a decision based on the information we have within the appropriate timeframe, not to exceed 15 days following the end of the timeframe we gave you for sending the additional information.

- We will send written notice of our decision to you and, if applicable, to your provider.
- If we consider your concurrent care claim on an urgent basis, we will notify you of our decision orally or in writing as soon as your clinical condition requires, but not later than 24 hours after we received your claim. If we notify you of our decision orally, we will send you written confirmation within three days after receiving your claim.
- If we deny your claim (if we do not agree to provide or pay for extending the ongoing course of treatment), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

▪ **Non-Urgent Concurrent Care Appeal**

- Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our adverse benefit determination. Please include the following:
 - (1) Your name and health record number;
 - (2) Your dental condition or relevant symptoms;
 - (3) The ongoing course of covered treatment that you want to continue or extend;
 - (4) All of the reasons why you disagree with our adverse benefit determination; and
 - (5) All supporting documents.

Your request and all supporting documents constitute your appeal. You must mail or fax your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985

- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and send you a written decision as soon as possible if your care has not ended but not later than 30 days after we receive your appeal.
- If we deny your appeal, our adverse benefit determination decision will tell you why we denied your appeal.

▪ **Urgent Concurrent Care Appeal**

- Tell us that you want to urgently appeal our adverse benefit determination regarding your urgent concurrent claim. Please include the following:
 - (1) Your name and health record number;
 - (2) Your dental condition or relevant symptoms;
 - (3) The ongoing course of covered treatment that you want to continue or extend;
 - (4) All of the reasons why you disagree with our adverse benefit determination; and
 - (5) All supporting documents.

Your request and the supporting documents constitute your appeal.

You must mail, fax, or call your appeal to us at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 N.E. Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985
Phone: 503-813-4480

- We will decide whether your appeal is urgent or non-urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life or health or your ability to

regain maximum function, or (b) would, in the opinion of a physician with knowledge of your dental condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting; or (c) your attending dental care provider requests that your claim be treated as urgent.

- We will fully and fairly review all available information relevant to your appeal without deferring to prior decisions.
- We will review your appeal and notify you of our decision orally or in writing as soon as your clinical condition requires, but no later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within three days after that.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal.

Post-service Claims and Appeals

Post-service claims are requests that we pay for Services you already received, including claims for out-of-Plan Emergency Dental Care. If you have any general questions about post-service claims or appeals, please call Member Services.

Here are the procedures for filing a post-service claim and a post-service appeal:

We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you within 30 days after we receive your claim.

If we tell you we need more information, we will ask you for the information before the end of the initial 30-day decision period, and we will give you 45 days to send us the information.

We will make a decision within 15 days after we receive the first piece of information (including documents) we requested.

We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision.

If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45-day period.

- (3) The specific Services that you want us to pay for;
- (4) All of the reasons why you disagree with our adverse benefit determination; and

Additional Review

You may have certain additional rights if you remain dissatisfied after you have exhausted our internal claims and appeals procedures. If you are enrolled through a plan that is subject to the Employee Retirement Income Security Act (ERISA), you may file a civil action under section 502(a) of the federal ERISA statute. To understand these rights, you should check with your benefits office or contact the Employee Benefits Security Administration (part of the U.S. Department of Labor) at 1-866-444-EBSA (3272). Alternatively, if your plan is not subject to ERISA (for example, most state or local government plans and church plans or all individual plans), you may have a right to request review in state court.

Member Satisfaction Procedure

We want you to be satisfied with the Services you receive from Kaiser Permanente. We encourage you to discuss any questions or concerns about your care with your Participating Provider or another member of your dental care team. If you are not satisfied with your Participating Provider, you may request another. Contact Member Services for assistance. You always have the right to a second opinion from a qualified Participating Provider at the applicable Copayment or Coinsurance.

If you are not satisfied with the Services received at a particular Participating Dental Office, or if you have a concern about the personnel or some other matter relating to Services and wish to file a complaint, you may do so by following one of the procedures listed below.

- Contact the administrative office in the Participating Dental Office where you are having the problem.
- Calling Member Services at 503-813-2000; or
- Sending your written complaint to Member Relations at:

Kaiser Foundation Health Plan of the Northwest
Member Relations Department
500 NE Multnomah St., Suite 100
Portland, OR 97232-2099
Fax: 503-813-3985

All complaints are handled in a confidential manner.

After you notify us of a complaint, this is what happens:

- A representative reviews the complaint and conducts an investigation, verifying all the relevant facts.
- The representative or a Participating Provider evaluates the facts and makes a recommendation for corrective action, if any.

When you file a written complaint, we usually respond in writing within 30 calendar days, unless additional information is required.

When you make a verbal complaint, a verbal response is usually made within 30 calendar days.

We want you to be satisfied with our Participating Dental Offices, Services, and Participating Providers. Using this Member satisfaction procedure gives us the opportunity to correct any problems that keep us from meeting your expectations and your dental care needs. If you are dissatisfied for any reason, please let us know.

TERMINATION OF MEMBERSHIP

If your membership terminates, all rights to benefits end at 11:59 p.m. on the termination date. In addition, Dependents' memberships end at the same time the Subscribers' membership ends.

You will be billed as a non-member for any Services you receive after your membership terminates. Company, Participating Providers, and Participating Dental Offices have no further liability or responsibility under this *EOC* after your membership terminates.

Termination due to Loss of Eligibility

You and your Dependents must remain eligible to maintain your Group coverage. You must immediately report to your Group any changes in eligibility status, such as a Spouse's divorce or a Dependent's reaching the Dependent Limiting Age. If you no longer meet the eligibility requirements described in this *EOC*, please confirm with your Group's benefits administrator when your membership will end.

Termination for Cause

If you or any other Member in your Family commits one of the following acts, we may terminate your membership by sending written notice to the Subscriber at least 31 days before the membership termination date:

- You abuse or threaten the safety of Company personnel or of any person or property at a Participating Dental Office;

- You knowingly commit fraud and intentional misrepresentation in connection with membership, Company, or a Participating Provider. Some examples of fraud include:
 - Misrepresenting eligibility information about you or a Dependent.
 - Presenting an invalid prescription or dental order.
 - Misusing an ID card (or letting someone else use it).
 - Giving us incorrect or incomplete material information.
 - Failing to notify us of changes in Family status or Medicare coverage that may affect your eligibility or benefits.
- We may report fraud and other illegal acts to the authorities for prosecution.

If we terminate your membership for cause we will:

- Refund any amounts we owe your Group for Premium paid for the period after the termination date.
- Pay you any amounts we have determined that we owe you for claims during your membership.

We may deduct any amounts you owe Company, Participating Providers, or Participating Dental Offices from any payment we make to you.

If your coverage is terminated for any of the above reasons, you have the right to file an appeal. For more information, please contact Member Services.

Termination of Your Group's Agreement With Us

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. The Group is required to notify Subscribers in writing if your Group's *Agreement* with us terminates.

Termination of a Product or All Products

We may terminate a particular product or all products offered in a small or large group market as permitted by law. If we discontinue offering a particular product in a market, we will terminate just the particular product upon 90 days prior written notice to you. If we discontinue offering all products to groups in a small or large group market, as applicable, we may terminate the *Agreement* upon 180 days prior written notice to you.

CONTINUATION OF MEMBERSHIP

Continuation of Group Coverage under the Consolidated Omnibus Budget Reconciliation Act (COBRA)

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. COBRA applies to most employees (and most of their covered Dependents) of most employers with 20 or more employees (however, it does not apply to church plans as defined by federal law). Please contact your Group for details about COBRA continuation coverage, such as how to elect coverage and how much you must pay your Group for the coverage.

Federal or State-Mandated Continuation of Coverage

Termination of coverage will be postponed if the Member is on a leave of absence and continuation of coverage is required by the federal or state-mandated family or medical leave act or law, as amended.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by federal law (USERRA).

You must submit an USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage and how much you must pay your Group for the coverage.

MISCELLANEOUS PROVISIONS

Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of this *EOC*.

Agreement Binding on Members

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

Amendment of Agreement

Your Group's *Agreement* with us will change periodically. If these changes affect this *EOC*, your Group is required to make revised materials available to you.

Applications and Statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*. In the absence of fraud, all statements made by an applicant, Group, or Subscriber shall be deemed representations and not warranties. No statement made for the purpose of effecting coverage shall void coverage or reduce benefits unless contained in a written instrument signed by the Group or Subscriber, a copy of which has been furnished to the Group or Subscriber.

Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

Attorney Fees and Expenses

In any dispute between a Member and Company, Participating Providers, or Participating Dental Offices, each party will bear its own attorney fees and other expenses, except as otherwise required by law.

Governing Law

Except as preempted by federal law, this *EOC* will be governed in accordance with Oregon law and any provision that is required by state or federal law to be in this *EOC* shall bind Members and Company whether or not the provision is set forth in this *EOC*.

Group and Members not Company's Agents

Neither your Group nor any Member is the agent or representative of Company.

No Waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, nor will it impair our right thereafter to require your strict performance of any provision.

Nondiscrimination

We do not discriminate in our employment practices or in the delivery of Services on the basis of age, race, color, national origin, religion, sex, sexual orientation, physical disability, or mental disability.

Notices

We will send our notices to you to the most recent address we have for the Subscriber. The Subscriber is responsible for notifying us of any change of address. Subscribers who move should call Member Services as soon as possible to give us their new address.

Overpayment Recovery

We may recover any overpayment we make for Services from anyone who receives an overpayment, or from any person or organization obligated to pay for the Services.

Privacy Practices

Kaiser Permanente will protect the privacy of your protected health information (PHI). We also require contracting providers to protect your PHI. Your PHI is individually identifiable information about your health, health care Services you receive, or payment for your health care. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, health research, and health care operations purposes, such as measuring the quality of Services. We are sometimes required by law to give PHI to others, such as government agencies or in judicial actions. In addition, Member-identifiable health information is shared with your Group only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our Notice of Privacy Practices (see below). Giving us authorization is at your discretion.

This is only a brief summary of some of our key privacy practices. Our Notice of Privacy Practices, which provides additional information about our privacy practices and your rights regarding your PHI, is available and will be furnished to you upon request. To request a copy, call Member Services. You can also find the notice on our website at kp.org/dental/nw.

Unusual Circumstances

We will do our best to provide or arrange for your dental care needs in the event of unusual circumstances that delay or render impractical the provision of Services under this *EOC*, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Participating Dental Office, complete or partial destruction of facilities, and labor disputes. However, in these circumstances, neither we, nor any Participating Dental Office facilities or any Participating Provider shall have any liability or obligation because of a delay or failure to provide these Services. In the case of a labor dispute involving Company, we may postpone non-Emergency Dental Care until after resolution of the labor dispute.
